

GENERAL

Dear exhibitor,

Thank you once again for your registration for the Energiesparmesse - expo energy 2026 trade fair in Wels.

To make it easier for you as an exhibitor and partner of Messe Wels GmbH to order services, we offer you our service booklet.

This service booklet consists of general trade fair information, guidelines, organizational matters, information and deadlines, technical services, marketing services and stand construction ordering options and is intended to serve as a guide for your trade fair participation.

Technical Services	contain answers to all technical and organizational questions as well as ordering issues.
Marketing Services	support your advertising and media activities and provide you with concrete marketing strategies to enhance your exhibition appearance.

Please note the respective registration deadline and the contact person stated on the forms.

We kindly ask you to also pass on this information to your stand construction company and your service providers in your own interest.

This service booklet is also available for download on the homepage of the Messe Wels.

Our website:

You can also download the documents of the service booklet from www.energiesparmesse.at.

If you have any special questions or requests, we kindly ask you to contact our employees by phone who will be glad to offer you advice and assistance.
