Free internet for exhibitors:
 Messe Wels GmbH provides free internet with WLAN access for all exhibitors. Due to a limited availability of bandwidth and radio channels the bandwidth of this network is limited to 1024 kBit/sec per device, which enables the free of charge receipt of e-mails or the representation of one's homepage. The usage of internet networks is not controlled, restricted or supervised by Messe Wels GmbH. Moreover, Messe Wels GmbH herewith expressly distances itself from the liability regarding transferred or represented contents of any type whatsoever. SSID: „MW Aussteller“, Password: 3we7v016 *(It is prohibited to pass on the password to visitors)*
Please note that WLAN use is not possible in the outdoor area. Technical note concerning the provision of wireless internet services of Messe Wels:
 Due to physical limitations of the WLAN technology, especially in connection with radio interferences and interfering signals, Messe Wels cannot guarantee a generally flawless operating with WLAN. To prevent disturbances or instable connections to the internet it support of Messe Wels recommends a tethered connection as well as the usage of up-to-date devices which prefer the 5 GHz frequency range. If you as an exhibitor operate a foreign WLAN hotspot or other devices that transmit in the 2.4 GHz or 5 GHz frequency band and thereby cause disturbances of the in-house (or other) system, Messe Wels has the right to arrange for the deactivation of the external device.
