

## Admission vouchers for specialist days

**THESE TICKETS ARE ONLY VALID DURING THE  
TRADE DAYS FROM WEDNESDAY - FRIDAY  
AND ARE ONLY VALID ON THESE DAYS!  
PLEASE PASS THIS INFORMATION ON TO YOUR CUSTOMERS!!!**

### Procedure

You use the order form from the service booklet to order the desired of admission codes. You then invite your customers to visit the trade fair. You will receive the admission codes electronically as a PDF or Excel file. Advantages: The admission codes are available immediately and no need to send them by post. With the data in the Excel file you can design your own printed form or insert the codes in a newsletter. You will also receive free of charge the data of the redeemed trade fair tickets by e-mail as an xls file for your analysis and post-fair processing. The admission codes you send digitally or by post must be exchanged online by your customers for a trade fair ticket. In return, the customer goes to the trade fair on:

<https://energiesparmesse.at/e-ticket>

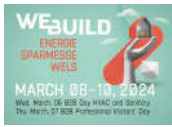

registers and receives a ticket.

Note: Access is only possible with the printed e-ticket or display on the smartphone, access is only possible after reading the the barcode printed on it at the entrances and turnstiles.

When sending out the admission codes, please remind your customers once again that access is only possible after online registration and with the printed trade fair ticket or via smartphone, not with the admission code.

The trade fair tickets actually redeemed on site will be charged automatically to the company address printed on the mailing.

If you have any questions in this regard, please contact Ms. Claudia Gerstel will be happy to answer your questions.

Order an optional number of admission codes.

- There are two options how to receive these codes: either digitally as a pdf-file (option 1) or printed (option 2).
- Every admission code is valid only once.
- Your digitally or postally sent admission codes need to be redeemed online at [www.energiesparmesse.at/e-ticket](http://www.energiesparmesse.at/e-ticket) by your customers.
- Your customers then receive an e-ticket. Only with this e-ticket customers can go directly to the entrance of the Energiesparmesse—expoEnergy and enter after having the barcode scanned.
- Please point out to your customers again when sending the admission codes that the admission code is NOT an admission voucher.
- The actually on-site redeemed e-tickets are automatically charched to the company address printed on them when they were mailed.
- If you want to receive the address data you decide depending on your chosen option.

**Note:** Messe Wels explicitly point out that these voucher codes are intended exclusively to be passed on to visitors and not for the admission of stand personnel, promoters, etc.  
 Only those who have received an e-ticket via admission code can enter the trade fair during its official opening hours.
