- 01. Scope:** The General Conditions of Participation shall apply to all rental agreements between the Messe Wels GmbH (MW) and the exhibitor as contractual partner, which are concluded within the framework of participation as an exhibitor at exhibitions in which MW acts as the event organiser.
- 02. Registration:** Registration as an exhibitor at the exhibition shall be done in writing using a registration form provided by MW. With the company's signature on the registration, the exhibitor places a binding and irrevocable tender to participate in the exhibition. Provisos, cancellations, supplements and amendments made in the registration form and in the Conditions of Participation shall be redundant. With registration, the exhibitor shall accept the General Conditions of Participation. There shall be no legal claim to conclusion of a contract and participation at the exhibition on the part of the exhibitor. MW shall reserve the right to reject registrations. Reasons for rejection may be: The exhibitor has not settled obligations from earlier events or legal transactions. In the past the exhibitor has violated the provisions of the Conditions of Participation or other legal provisions. The registered products and services contravene the topic of the exhibition or are not considered suitable for other reasons by MW or they contradict other legal provisions and interests.
- 03. Allocation of stand position:** With the confirmation of contract, the exhibitor shall be allocated a stand position, which is specified on the enclosed plan. (Confirmation of stand position). MW shall be entitled to move or close the entrances and exits to the exhibition site as well as the halls and to carry out other physical alterations. After conclusion of contract, MW can change the overall exhibition space of the exhibitor in relation to its position, type, dimensions and size should this be necessary for security reasons, the public order or because other exhibitors are admitted to the exhibition or because changes to allocated positions are necessary for a more efficient utilisation of the rooms and areas. However, such subsequent changes may not exceed what is reasonable for the exhibitor. MW is entitled to change the stand dimensions by a difference of +/- 15% of the confirmed stand position and to change the stand rental fee to the same extent.
- 04. Co-exhibitors, sub-exhibitors:** The co- or sub-exhibitor shall be someone who is present with their own staff and/or offering at the stand of an exhibitor (main tenant). The participation of sub-exhibitors shall only be admissible if they have been registered and approved by MW. A fee must be paid for sub-exhibitors. This approval shall not give rise to any legal relationship between MW and the sub-exhibitor. The same terms shall apply analogously for sub-exhibitors as for exhibitors. The main exhibitor must ensure that this is the case and shall be liable with regard to this vis-à-vis MW.
- 05. Payment conditions:** The exhibitor shall receive an invoice of all ordered and binding services provided in the course of registration. This invoice shall be immediately payable, and payment is the premise for obtaining the exhibition space and the issue of exhibition passes, parking tickets and the like. Additional services can be ordered by the exhibitor in line with the service documents of MW (e.g. advertising services, IT equipment, stand constructions). These shall be invoiced separately, whereby due prepayment may include but is not limited to consumables such as energy, water etc. In general, MW shall be entitled to refuse the exhibitor the due services until the exhibitor has settled their financial obligations towards MW – also those dating from earlier events. To secure claims arising from the contractual relationship, MW shall reserve the right to assert the statutory tenant lien. MW shall assume no liability for damages to retained objects. Should the exhibitor wish an invoice to be changed because the name, the legal form or the address has changed, a payment of €50.00 shall be due for each invoice amendment. This shall also apply to corrections to the value-added tax of foreign companies. If a third party is specified as the invoice recipient, this does not release the exhibitor from their payment obligation. If an invoice is not paid by the invoice recipient, MW will take legal action against the contractual partner. The conditions of payment and due dates of the original invoice shall continue to apply. MW shall be entitled to invoice the exhibitor electronically.
- 06. Termination of contract:** If the implementation of the trade fair is prohibited by the authorities due to a legal regulation concerning COVID-19, the exhibitor shall not incur any costs in connection with the stand registration. Exceptions to this are custom-made stand constructions, advertising services/advertising materials whose production has been expressly approved by the exhibitor. If the exhibitor is demonstrably unable to participate in the fair due to a legal travel restriction or associated quarantine regulations, no cancellation costs

will be incurred. An infection or personal quarantine of the exhibitor or his staff due to COVID-19 does not constitute a reason for cancellation. The exhibitor shall have no right to withdraw from the contract apart from the statutory rights of withdrawal. The exhibitor shall have no right to change the exhibition space which they have already rented and in particular no right to decrease the area. Should the exhibitor cancel their participation in the exhibition, then MW shall be entitled to otherwise dispose of the rental area regardless of whether the exhibitor has a right of withdrawal or not. Should the exhibitor withdraw from the contract, they shall undertake to pay until eight weeks prior to the event a forfeit in the amount of 40% of the invoice which was sent with confirmation of the location of the stand. In the event of withdrawal at a later date, 100% is payable. Should registration not have been withdrawn pursuant to point 1 by 8 weeks prior to the event and no invoice of all the ordered and binding services pursuant to point 5 was issued, then the forfeit shall be calculated in accordance with the ordered and binding services pursuant to the registration form. If the exhibitor has not occupied the exhibition stand by 12 pm of the final set-up day and MW has not been informed by the exhibitor of the start of setting up, then MW can terminate the contractual relationship with immediate effect. MW shall be entitled to terminate the contract if restructuring and bankruptcy proceedings were initiated and participation at the exhibition was not confirmed in writing by the authorised party within 4 weeks, at the latest 8 weeks, before the start of the exhibition. Should the exhibitor not pay outstanding debts pursuant to the point Payment conditions, the exhibitor shall have violated a duty to respect the rights, legally protected rights and interests in particular of MW. MW shall be entitled in these cases to claim, as compensation, 100% of the invoice amount of the confirmation of location of the stand.

- 07. Warranty, complaint:** Potential defects of the rental shall be immediately reported in writing to MW at the latest before the start of the exhibition, so that MW can remedy these defects. Complaints at a later date cannot be taken into consideration and shall not lead to claims against MW.
- 08. Liability and compensation:** MW shall not be liable for any damages and losses to the goods brought to the exhibition by the exhibitor or to the stand furnishings. With regard to this, it is irrelevant whether the damages and losses occurred before, during or after the exhibition. The exhibitor has an increased duty of care for the safety of their goods during the setting up or dismantling of the stand as well as during the exhibition and outside the opening hours of the exhibition. In particular, exhibited objects which are valuable and can be easily moved must be secured during presentation and stored at the exhibitor's own risk. The same shall apply to the exhibitors' vehicles parked on the grounds of MW. The exhibitor shall be liable for all personal, property and other damages which are caused in the course of their participation on the grounds of Messe Wels. MW shall assume no liability for false entries in the exhibition catalogue or other types of printed materials. Should it be necessary for MW to change the date or location of the event for whatever reason - in particular due to the COVID-19 pandemic - the exhibitor shall have no right to claim compensation or withdraw from the contract. If it is not possible to hold the event due to force majeure, then MW can, as compensation for costs incurred, invoice for 25% of the services ordered pursuant to point 5. This does not apply in case of cancellation due to COVID-19.
- 09. Insurance:** MW expressly points out that goods and materials brought by the exhibitor are not insured by MW and that there is no obligation on the part of MW to do so. Each exhibitor shall be obliged to conclude their own exhibition insurance policy to cover such risks. This can be ordered via the service documents of MW.
- 10. Surveillance:** MW shall provide general surveillance of the hall and the grounds during the exhibition event. There shall be no legal right to surveillance of a specific stand and/or guarding from theft. This must be ordered separately from MW.
- 11. Stand supervision:** The exhibitor undertakes to open the exhibition stand in accordance with the opening hours and staff it with competent staff. In the event of failure to comply with this requirement and the stand being left unattended, MW shall be entitled to charge a fine of € 700.00.
