SKETCH FOR THE POSITION OF THE POWER CONNECTION POINT

Take advantage of the possibility to **indicate** your desired **connection position** on your stand in this sketch. Should you leave the sketch empty the electric connection point will be determined by the commissioned service company of Messe Wels GmbH. Any occurring fees for modifications carried out after the registration deadline will be at your expense.

In order to be able to determine the orientation of your stand, please draw the **floor plan of your stand** as well as at least **one neighbouring stand**.
