

We attempt to dispose of waste in an environmentally responsible way and have foreseen corresponding waste separation containers for this. We kindly ask you to support us in this!

- > **Materials left behind** will be disposed of without examination of their value and for a fee at the expense of the exhibitor . (prices see on the following page)
- > **Any wastes** that are not produced in conjunction with the event or with the set-up and dismantling must not be deposited on the exhibition grounds.
- > **Please note**
We would like to remind you that the disposal of any sort of waste on the exhibition grounds is forbidden and will be invoiced where appropriate!

For environmental reasons we kindly ask you to comply with the following guidelines concerning the waste disposal:

At the beginning of the fair, you will receive a roll of garbage bags.

Solely the garbage in the garbage sacks provided by Messe Wels GmbH that are situated well visible at the corridor in front of your stand daily after the end of the fair will automatically be disposed of.

We kindly ask you to return unused garbage sacks at the information points after the end of the fair.

We would like to point out that garbage in cardboard boxes or other collecting containers will NOT be disposed of by Messe Wels GmbH and that the disposal workers will NOT enter the stands.

Moreover, you also have the possibility to dispose of the waste personally at certain collecting points. The positions of these garbage containers can be found on the site plan below.

INFORMATION ON THE WASTE DISPOSAL

We attempt to dispose of waste in an environmentally responsible way and have foreseen corresponding waste separation containers for this. We kindly ask you to support us in this.
 Messe Wels GmbH carries out at its expense the general cleaning of the exhibition grounds and the hall aisles. However, it is the responsibility of the exhibitor to clean the stand at his own expense.
It is herewith expressly indicated that the exhibitor is responsible for arranging the removal and disposal of carpet floors, carpet tapes and bulky waste after the dismantling. Should any of these still exist after the end of the dismantling, they will be disposed of by Messe Wels GmbH at the expense of the exhibitor.
